

Circle Poem

Circle Poem

Fear, courage, leap
With all time
Sky, path, courage
Thanks, gift
Be still and know
Peace within beauty
Presence, balance, things
Ending, Beginnings, (silence)
Thank you all
Brave new world
Magic, unconditional gratitude
Honesty, heart, connection
Extraordinary, ordinary magicians
Hearts broken open
Brilliant, soaring, surprise
Green, moving, sound
Hope, commitment, gratitude
I am you.
